APPLICATION FOR REGISTRATION: Submit together with a label for each product being registered. If registration is applied for on behalf of several companies, separate forms should be submitted for each claim.

PLEASE submit only ONE application form for all products listed and submit only ONE label for each product being registered.

LABELING. Each container must bear a label showing the following information:

1. Name and address of the manufacturer, registrant, or person for whom manufactured.
2. Name, brand or trademark under which the product is sold.
3. Net weight or measure of the contents.
4. A statement showing percentage of each active ingredient.
If the pesticide contains arsenic in any form, the ingredient statement must also include a statement of total and water-soluble arsenic, each calculated as elemental arsenic.
5. Adequate warning or caution statement.
6. Any pesticide containing arsenic or any substance or substances highly toxic to man, shall bear in addition the following:
 - (a) The skull and crossbones.
 - (b) The word "Poison" in red on a background of distinctly contrasting color.
 - (c) An antidote statement.
7. Adequate directions for use.

REGISTRATION FEE: \$100.00 per product.

PLEASE NOTE

**A registrant who offers a pesticide for sale before registration of the pesticide shall pay an amount equal to twice the registration fee for registration of the pesticide.
